## EDUCATION

### University of Alabama at Birmingham

*Master of Science in Computer Science*

Birmingham, Alabama

Aug. 2024 - Present

### Annamacharya Institute of Technology and Sciences

*Bachelor of Technology in Computer Science*

Kadapa, India

Aug. 2019 - May 2023

## EXPERIENCE

### Business Development Associate (BDA)

*Intrainz Innovations*

Aug. 2023 - Nov. 2023

Bengaluru, India

- Generated leads by identifying potential clients and business opportunities.
- Conducted market research to analyze competitors and industry trends.
- Prepared proposals and presentations to secure new partnerships.
- Managed client relationships to ensure satisfaction and foster long-term connections.
- Collaborated with senior management to align business development efforts with company goals.

## PROJECTS

### Credit Card Fraud Detection | *Python, AI, ML, React*

Jan. 2023 - May 2023

- Developed a model to detect credit card fraud using machine learning (ML) and deep learning (DL) techniques.
- Focused on handling imbalanced data and practical applications of algorithms in the banking sector.
- Explored CNN architectures to enhance the accuracy of fraud detection models.
- Analyzed performance metrics to propose CNN as the baseline model.

### Portfolio Website | *React, MongoDB, Express, Node.js, Git*

Aug. 2024 - Sep. 2024

- Developed a fully responsive portfolio website to showcase skills, projects, and achievements.
- Implemented Firebase for authentication and hosted the project online for accessibility.
- Demonstrated strong front-end development skills and attention to detail.

### Burger Haven – Responsive Web Application | *React, Firebase, MongoDB, Express, Node.js, Git*

Sep. 2024 - Oct. 2024

- Developed a dynamic web application for a fictional burger joint, focusing on responsiveness and user experience.
- Implemented Firebase Authentication for secure login and registration.
- Integrated Stripe payment gateway to enable a secure and streamlined checkout process.
- Utilized React Router for smooth client-side navigation between pages.

## CERTIFICATIONS

**HTML Certification** | *Code with Harry*

Apr. 2021 - May 2021

**CSS Certification** | *Geeks for Geeks*

Jun. 2021 - Jul. 2021

**JavaScript Certification** | *HackerRank*

Sep. 2021 - Nov. 2021

**Introduction to Python** | *Programming with Mosh*

Jan. 2022 - May. 2022

**Problem Solving Certification** | *HackerRank*

Feb. 2022 - Mar. 2022

**CSS Certification** | *HackerRank*

Jul. 2023

**Python Certification** | *HackerRank*

Jul. 2023

**JavaScript Certification** | *HackerRank*

Jul. 2023

**Crash Course on Python** | *Google*

Aug. 2023

## TECHNICAL SKILLS

**Languages:** Python, JavaScript, HTML/CSS, Java, C/C++, SQL (Postgres), R

**Frameworks:** React, Node.js, Express.js, Flask, JUnit, WordPress, Material-UI, FastAPI

**Developer Tools:** Git, Docker, Google Cloud Platform, TravisCI, VS Code, Visual Studio, PyCharm, Eclipse

**Database:** MongoDB

**Libraries:** pandas, NumPy, Matplotlib
